

We're Not as Divided as We Think We Are

85% of Americans want

fundamental change in how we finance elections, with **HALF** favoring a complete rebuild

of Americans agree that government should be

doing a *substantial* amount to

combat climate change

72%

of Americans favor reducing the role of big money in politics by using public funds to match small-donor contributions

74%

Let's **IDENTIFY** the **UNITY** and **BUILD** on it.

Check out *Daring Democracy* by Frances Moore Lappé and Adam Eichen and the *Field Guide to the Democracy Movement* for ways to get involved!
